

AUTHOR'S DECLARATION

I(we) the undersigned, hereby declare that the manuscript: (full title)

- which I(we) have submitted to the periodical scientific journal "Ukrainian Scientific and Medical Youth Journal" is:
- 1- an original scientific paper prepared on the basis of my/our own study and not previously published or submitted for publication to other periodicals;
 - 2- the materials presented in the manuscript do not violate the copyright and legitimate interests, as well as the intellectual property of other authors, individuals and legal entities;
 - 3- if part of the study was presented or will be presented appeared or will appear in another publication, I(we) have indicated the details in the comments before their submission.

According to the authorship criteria of the [International Committee of Medical Editors \(ICMJE\)](#), as the authors who submitted this manuscript, I(we) indicate the contribution of individual author(s) to the manuscript of the article.

As author(s), I(we) note that in the provided manuscript:

- human studies: absent present

In the case of conducting human research, I(we) provide all the details of ethical compliance and the availability of permits for conducting such research in the manuscript;

- unauthorized and non-certified materials and substances used not used

If the above-mentioned are used, I(we) provide clear arguments regarding their use in the manuscript (substances submitted for research, testing, evaluation, certification, etc.);

- animal studies: absent present

In the case of using animals in experiments, I(we) clearly explain the need for this in the manuscript.

As the author(s) of this manuscript, if there is an organization that fully or partially finances this research and any other personal connections (the authors' own funds, funds of the institution, grants), I(we) indicate this in the manuscript of the article.

As the author(s) who submitted the manuscript, I(we) assert the reliability of the scientific results presented in the text of the manuscript.

As the author(s) of this manuscript, I(we) confirm our compliance with the principles of scientific ethics in my(our) publications:

- confidentiality of submitted works is guaranteed;
- compromising intellectual or ethical standards are taken into account and do not affect financial interests;
- publication of corrections, clarifications, refinements, and apologies is allowed if necessary.
